

LT. R. E. NICKSON of the Torrance Annex of the Naval Supply Depot briefs Torrance high school students on the Depot's function. Seventeen students representing seven classes took the two-hour inspection tour last week as part of a study project involving their whole community. Girls are (l-r): Sandra Considine and Phillis Pasano. Fellows are (l-r): Gary Rippstein, Phil Gaul, and John Zamazla. Principal Bruce Wagner looks quite interested, too.

Annapolis Vacancy Available

Senator Thomas H. Kuchel (R. California) today announced he has just been advised that he will have one vacancy under his quota for appointment to the Naval Academy for entrance in 1954. Candidates must be not less than 17 years of age nor more than 22 years of age on July 1, 1954.

Senator Kuchel stated he will select his nominee on the basis of results of a competitive examination he has requested the Civil Service Commission to sponsor in January.

He asks that any interested Californians write to him at the Senate Office Building, Washington, D.C. Details on the time and place of the competitive examination will be furnished applicants as soon as this information is released by the Civil Service Commission.

P-TA Meets Principal

The first meeting of Narbonne P-TA was held Tuesday, October 20 at 2 o'clock in the school auditorium with Mrs. E. M. Bernardin presiding.

After a short business meeting, Mrs. Bernardin welcomed all new B-7 mothers and others in attendance and then introduced Earl Barnett, principal. Barnett gave a hearty welcome to all attending. He then introduced Miss E. Parks, girls' vice principal. After the program a tea was held in the cafeteria with Mrs. C. C. Grubbs, and Mrs. C. L. Wilson pouring.

The next meeting of the P-TA will be held November 17 in the school cafeteria at 6:30 p.m. with a pot luck dinner.

EARTH'S HEAT

The possibility of tapping the earth's heat, or of utilizing large-scale volcanic power to contribute to the solution of our growing fuel problem, recently was discussed in an issue of the "Scientific American" by Dr. Howel Williams, professor of geology on the Berkeley campus of the University of California.

N. Torrance P-TA Meets

The November meeting of the North Torrance Elementary P-TA met at the home of Mrs. Francis Stoeckle, 2612 West 175th street.

The inspirational was read by the president, Mrs. F. Stoeckle. Mrs. William Wilson read the minutes of the last meeting.

Treasurer's report was read by Mrs. Lloyd Van E. Vort, Mrs. Van De Vort also reported on the TEAC meeting. Mrs. J. B. Baldwin, membership chairman, gave a report on the membership drive. There were 787 new members added.

The group decided on a Christmas party for the board members to be held December 1 at the home of Mrs. Ralph McBee, 17315 Atkinson avenue.

The next P-TA meeting will be November 18. Fifth and sixth grade mothers will serve.

HEALTH CENTER SUPPORT URGED

Mrs. W. D. Russell, president of the San Pedro, Lomita P-TA Council, guest speaker at the second meeting of the Halldale Avenue School P-TA emphasized the following functions. The support of P-TA Health Centers, where medical attention is rendered to those children who could not afford it otherwise. Also hot breakfast and hot lunches are provided to needy children. The Center has a blood bank, which plays an important part in the health program of the community.

Mrs. E. E. Salcido, president of Halldale Avenue School P-TA, introduced the following guest: Mrs. William Shier, president of the Seventh Street School P-TA and Mrs. Douglas Brazzell, president of the Lealand Street School P-TA of San Pedro, California.

FATALITIES in unincorporated areas of the state number 1730, through September, 70 fewer than for the first nine months of 1952. Reportable accidents and injuries or rural roadways show similar reductions when compared to similar periods last year.

INNOCENCE is like polished armor; it adorns and defends.

KALASH VITAMINS (Since 1924) Professors Multi-Vitamins

EACH TWO TABLETS CONTAIN:

A—(Purified Fish Liver Oil)	5000 USP Units
D—(Activated Ergosterol)	1500 USP Units
B-1—(Thiamin Chloride)	5 Mg, 2000 USP Units
B-2—(Riboflavin)	5 Mg, 500 Micrograms
